ENCLOSED IS YOUR KINGSTON FAMILY WINE

In the early 1900s, mining engineer Carl John Kingston left his home in the Upper Peninsula of Michigan looking for gold in Chile. While he never found his mother lode, his search yielded a cattle ranch in Casablanca Valley, just 12 miles from the Pacific. Five generations later, his descendants are showing the same pioneering spirit as they explore new frontiers in Chilean winemaking.

Kingston Family Vineyards handcrafts Pinot Noir, Syrah, Chardonnay and Sauvignon Blanc from our family vineyards in western Casablanca. The names of our wines are inspired by favorite family horses from years past.

We are one of a handful of Chilean vineyards leveraging organic farming and artisan winemaking, and uncovering the potential of coastal Chile. Our small-lot winemaking with custom equipment and techniques brought from California sets us apart in Chile as we blend the best of the Old and New Worlds.

Muchos saludos,

Courtney Kingston

SPOTLIGHT ON OUR NEWEST WINE

2018 SPARKLING \$42/bottle / Production: 152 cases

This wine is a luscious combination of 50% Pinot Noir and 50% Chardonnay with a perfect balance between minerality and a fruit-forward expression. Creaminess and acidity create a great tension in the mouth. Aromas of toasted brioche, flowers, red berries, and white pepper. On the palate, flavors such as fruits, almonds, and hazelnuts abound.
